Re: Interviews, choice of the Landscape Company, the Flower Pots and problem areas on the grounds

Present: Carol Korein, Betty Kraeger, Lesley Hill, and Suzanne Stinson.....Nov. 4th and Nov. 9th

Dave Lisbon present November 4th for interviews

1. The committee interviewed the following Companies....Crawford, Valley Crest....and Green Heron.
2. The committees choice for the Sorrento grounds is Green Heron starting January 1st, 2012. Subject to Board approval.
3. The committee agreed the bench on the front center island was not installed at the proper height and agreed it should be corrected. Subject to Board approval.
4. The committee walked the pool area and unanimously agreed it should be painted next summer Subject to Board Approval.
5. The committee was unanimous in the decision to buy two bags of top soil to be stored for the use of filling Armadillo holes. This is also subject to the approval of the Board.
6. The committee bought new plants for the five flower pots. The flowers were installed by Betty Kraeger, Lesley Hill and Carol Korein.
7. The subject of the Buttonwood Trees that was discussed at the March 9th meeting was discussed again. The tree trimmer recommended last year that they should be removed but the committee voted it down. The committee reconsidered and voted to have all four Buttonwoods removed. The trees are hindering the Oaks.
