

## ALLOCATION OF SPECIAL ASSESSMENT

The following table shows the total amount of the **SPECIAL ASSESSMENT** allocated to your unit if any one or all three of the proposed projects are approved by unit owners. Your share of the special assessment is based upon the size of your unit; it is calculated in the same manner as your normal assessment and in conformity with Florida law. Please note that these calculations do not include the other half of the cost of these projects that, subject to unit owner approval, will be paid from existing reserves.
