

Sorrento at The Colony

December 9

Whats happening at Sorrento

Merry Christmas, Happy Hanukkah, Happy Kwanzaa, Happy Festivus, and all in between. Happy Holidays Sorrento family. Can you believe it? Another year has flown by and 2023 is slowly approaching us. Our social committee hosted their annual Trim the Tree & Pizza Party on December 1 and what an amazing turnout we had. Oh, what fun everyone had bringing the Christmas tree to life with all their Christmas Spirit. The Luttrells (#1204) have donated a beautiful 6-foot Christmas tree that is on display in our social room. What a great addition for all who would like to have a festive holiday party. Pictures are attached to the third page of this newsletter.

As we begin to welcome our homeowners and guests back, we just have a few updates to share:

Security– We cannot stress it enough, please **do not** give out the door code to delivery people, Amazon, UPS, etc. If they are delivering after hours, please have them leave any packages outside the door and someone will bring the packages into the mail room. If someone is at the door when you are entering or exiting, please ask them to stop by the office. We have noticed residents letting contractors, deliveries, and people enter and completely bypassing the office. This poses an issue if they are delivering a package for a resident who may not be here.

Pools–Please bear in mind that our residential pool is for Sorrento residents and their registered guests **ONLY**. If you are bringing a guest, please keep in mind that you must be present with them at the pool.

Hallways— You may have felt our hallways a lot cooler recently. The hallway air conditioning is working again. We want to thank Conditioned Air for assisting us in getting us back to cooling.

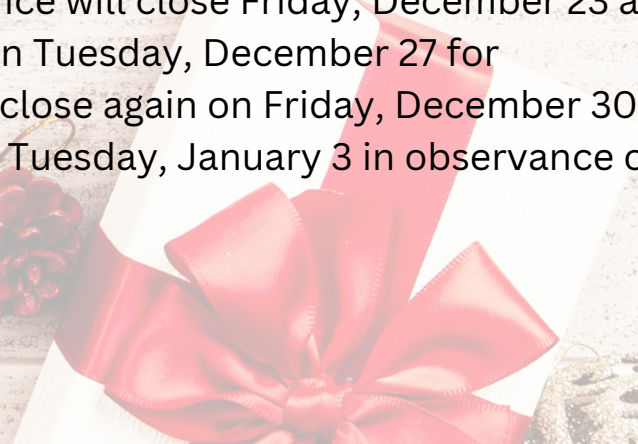

Landscaping— Thank you to Crawford Landscaping for helping us get our beautiful building to normal after Hurricane Ian. New palm fronds are sprouting, and more work is yet to come.

Lanai Screens— Some of you may find your Lanai screen torn or missing after Ian, especially the 01 stack. We are scheduled to start replacing them on January 8th. Keep a look out in your emails for more details.

South Garage Hallway—Is dried out we are just waiting on the replacement of the drywall. We will keep everyone posted as we learn more information.

Construction in units—We know we have a few residents that are finishing up their home remodeling. Please remember that all major construction must be completed before December 15. Thank you for your cooperation.

Holiday hours—The holidays this year fall on Saturday and Sunday. The office will close Friday, December 23 at noon and will reopen Tuesday, December 27 for Christmas. And will close again on Friday, December 30 at noon and reopen Tuesday, January 3 in observance of the New Year.

Trim the Tree & Pizza Party
